Used to is used to express that some action or facts were habits in the past but are not anymore.

It is the same as "solía" in Spanish.

- *When I was 15 years old I **used to** play handball, but I don't play handball now.*
- *Mike **used to** read a book every week, but now he doesn't have time.*
- *Jane **didn't use to** speak French. Now she speaks it perfectly.*
